

2024 NAGC CONVENTION FORT MYERS, FLORIDA January 18-20, 2024

2024 NAGC Convention Planning

Mid-summer planning for the winter Annual Convention in Florida **Jan 18 – 20, 2024**. Hopefully the temperature will be much the same as northern US is enjoying today.

Plan to arrive in Fort Myers on **Tuesday, Jan 16**. Meet and greet in the hotel lobby.

Wednesday, Jan 17 is a preconvention trip to the Everglades. This will be a 2-hour tour of the area with a guide. I personally did a driving tour in this area 7 years ago. A very interesting place is the Rod and Gun Club Lodge, which is over 100 years old. We may find other interesting stops in this great and different Everglades National Park. If you want to shorten your stay this could become arrival day.

Thursday, Jan 18 is a workday starting at 9:00 a.m. Board meeting and committee meetings begin. Hopefully to finish by 2 or 3 p.m. The glads will be beautifully opened so the design people and amateurs can go to work producing some wonderful designs.

Friday, Jan 19 is time to explore Fort Myers and a day of relaxing to take in the beauty of the area including Edison Ford House Museum and Botanical Garden. Photo contest and Judges scoring evaluation takes place that evening.

Saturday, Jan 20 starting at 9:00 a.m. is the Annual Assembly. After the meeting prepare for the bulb auction. Auction is in the afternoon. Please bring small change and maybe a cheque book!

Evening Presidents Banquet.
